## Sample Messages December 2009

### **Deposit your car!**

This December deposit your car in the garage and make few withdrawals. When you drive less, you save more. And couldn't you use a little more of the green stuff right around this time of year? It's not just money you'll save. If you ride the bus or vanpool, you won't have to waste time looking for a place to park. And, because your hands won't be on the steering wheel, you'll have time to get to your greeting cards during your commute to work.

Plus, Find Another Way Wednesday are continuing in December. Participate on Wednesday, fill out your calendar and you could win a \$50 Fred Meyer Card. And just by participating once in December you'll be eligible to win 1 of 10 - \$25 Fred Meyer cards and a \$100 Fred Meyer card in the grand prize drawing.

Treat yourself this holiday season by starting your day off right with a relaxing commute. Gain some extra time for your self and save some of that hard earned money of yours. If you need help getting started, please contact me or stop by my desk.

### **Your garage could be your holiday savings!**

Park the car and use a commute alternative to get to work this December. You'll save money, reduce stress (especially with the icy roads) and you'll have some extra time to read a book, make your holiday list or just enjoy the scenery.

By participating you could win a \$100 or \$25 Fred Meyer Card! And, if you participate on Wednesdays and fill out your commute calendar, you could be the lucky winner of a \$50 Fred Meyer Card. Go to [MyCommute.org](http://MyCommute.org) for more details. If you need help getting started, please contact me or stop by my desk.
