

Branch Out for Clean Air!

Go out on a limb in July and you could win!

Motor vehicles are major contributors to summer air pollution. By using a commute alternative and filling out your commute calendar, you could win one of the prizes below.

-  Participate at least 2x to be eligible for one of three \$25 gift cards.
-  Participate at least 3x to be eligible for one of two \$50 gift cards.
-  Participate at least 5x to be eligible for one of two \$100 gift cards.
-  Participate at least 7x to be eligible for one of two \$150 gift cards.
-  Participate at least 10x to be eligible for the \$250 grand prize gift card.
-  As a Spokane County resident, you can also enter-to-win Spokane Clean Air's *Mow Down Air Pollution* giveaway at www.spokanecleanair.org.

Gas-powered lawn equipment is also a major contributor to summer air pollution. Switch to electric when getting new equipment or do yard work in the evening when it cools down.

How will you make a difference this year?
