

# Reduce Pollution in September

National Pollution Prevention Week is September 20 – 26, 2010.

## WIN a Gift Card!

Help the environment by taking the next step! Transportation is a significant contributor to air pollution. By traveling green and using a commute alternative such as carpooling, riding the bus, walking, bicycling, vanpooling or working from home, you can help reduce air pollution in our community.

Plus by participating in September you could WIN one of ten Safeway Gift Cards or a \$150 Safeway Gift Card in the grand prize drawing. The great part about the Safeway Gift Cards, you can exchange them for a different gift card Safeway carries, i.e. Olive Garden, Starbucks, Bath & Body Works. To be eligible, be sure to fill out your commute calendar on [MyCommute.org](http://MyCommute.org). Need help getting started, contact your Employee Transportation Coordinator (ETC).
