

Mow Down Air Pollution July Enter-To-Win Contest

Help keep our air clean & save money on fuel!
Did you know?

- Running a gas-powered lawn mower emits 11 times the air pollution of a new car, per hour of operation.
- Gas-powered garden tools emit 5% of the nation's air pollution.
- Forty million lawn mowers consume 200 million gallons of gasoline per year.

Mow Down Air Pollution! During July, enter-to-win one of these Black & Decker yard & garden tools!

- Cordless String Trimmer + \$25 gift certificate
- Cordless Hedger + \$25 gift certificate
- Cordless Leaf Blower + \$25 gift certificate
- Cordless Mulching Mower + \$50 gift certificate
