

Go out on a limb for clean air!

TRAVEL GREEN

-  **Care for your car** and the air! Keep up with regular maintenance on your vehicle and keep your tires properly inflated.
-  **Combine trips:** Combine errands in one efficient trip saving on gas, time and reducing exhaust emissions.
-  Choose green commute alternatives this summer:
Walk, Bike, Bus, Carpool or Vanpool!
-  **Travel Green this July and win!** Use a commute alternative to work, complete your online commute calander and you could win one of 88 prizes! Visit MyCommute.org for contest details.
