

My Resolution to Reduce Air Pollution!

I am making a New Year's resolution to reduce air pollution by (please pick at least one clean air resolution idea listed below:

- Using a commute alternative during the month of January at least one time. I will carpool, vanpool, ride the bus, bike, walk or work from home (please circle preferred alternative).
- Keeping up on vehicle maintenance for my personal vehicle.
- Conserving energy by weatherizing my home.
- Burning clean fires in my wood heating device. After a 20-minute start-up, I will check for visible smoke coming from my chimney, and make adjustments if necessary.
