

# Sweeten *YOUR* Commute

*Idling = Zero Miles Per Gallon*

Save money on gas, reduce wear and tear on your vehicle  
and help clear the air.

When waiting in your vehicle at a drive-thru, to pick children up  
from school, or at a railroad crossing, turn it off.

---

Visit *MyCommute.org* for contest details. Visit *SpokaneCleanAir.org* for clean air tips.
