Make a Resolution, Reduce Air Pollution!

January 2010 Campaign Agreement Form

As the Employee Transportation Coordinator (ETC) for:
(insert company name)

I agree to promote the *Make a Resolution, Reduce Air Pollution* campaign at my worksite for the month of January 2010.

To promote the January campaign, I will receive *Make a Resolution, Reduce Air Pollution* campaign posters and a toolkit of additional promotional materials that will be available on-line. The toolkit will include weekly email flyers, sample messages, on-line resources and other items for my promotional use. These materials will be available on Tuesday, December 22 at www.MyCommute.org, under the ETC Tools campaign page.

In exchange for the promotional materials provided by Spokane County's Commute Trip Reduction Office and the Spokane Regional Clean Air Agency, I agree to inform *all* employees about the campaign by hanging posters in high-traffic areas and distributing campaign information to employees. I will encourage employees to:

-  **Travel Green -- Reduce Air Pollution** by trying a commute alternative: carpool, vanpool, ride the bus, bike, walk or work from home.
-  **Live Green -- Reduce Air Pollution** by making clean air choices around the home, including burning cleanly if you heat with wood, weatherizing your home, programming your thermostat and using eco-friendly cleaning products.

For the month of January, participating employees will also be eligible for weekly and end-of-the-month prizes (see Campaign Overview for details).
