 **Travel Green** by carpooling, riding the bus, biking or walking. Go to MyCommute.org for more information on commute alternatives and details on weekly and monthly prizes!

- ✓ By Travelling Green you help the environment, reduce traffic congestion and save money.
- ✓ By using a commute alternative to get to work, there will be one less car on our roadways. And a car not on the roadway means a car isn't polluting our air!
- ✓ If more people *Make a Resolution* to Travel Green, we'll all enjoy less traffic and less air pollution.
- ✓ You'll reduce your stress and save money.
- ✓ Get your exercise during your commute and you won't have to schedule it later.
