

Most Valuable Commuter

Bicyclist

Use this form to nominate an employee who bicycles to work and who you, as ETC, believe deserves countywide recognition as a "Most Valuable Commuter."

Nominee* (employee) Name Cher D. Rhodes Company Modes R Us
Position/Title Secretary
Average number of days per month nominee bicycles to work 15
Average number of days worked per month 19 One-way miles traveled from home to work 6.5

Please use the space below to answer the following questions and describe why you feel this employee deserves to be selected as one of Spokane County's Most Valuable Commuters. Be sure to include information about the nominee's level of participation and effort in response to the following criteria:

1. How does your employee demonstrate their commitment to commute alternatives (why they participate)?
2. How does your employee display extra effort in overcoming obstacles to use commute alternatives?
3. How does your employee demonstrate enthusiasm for commute alternatives?
4. Does your employee encourage fellow employees to participate in CTR?
5. What makes this nominee shine as your company's Most Valuable Commuter for this mode?

(Please type or print legibly in black—10 point font, minimum—and limit your answer to the space below.)

Cher is such an awesome program participant! She bicycles absolutely as long as she can until it is too dark, and then carpools when she can't bike anymore. She has worked very hard to find a good safe route from her home on the south hill, and finally has succeeded in finding one that is comfortable.

As an employee in our environmental section, Cher realizes the importance of not being an SOV! She has even helped other people find good biking routes so they can ride to work, too. Unfortunately, her bike was stolen from our worksite. Not to be deterred, she has taken on administration of our new bike lockers that we got as a result of the theft! She is happy she has a safe spot for her's and everyone else's bike too.

She also serves on the Spokane Bike Advisory Board, helping all of Spokane's citizens enjoy better biking! And when she's not commuting she and her husband enjoy riding together on their tandem. She definitely shines!!!

Ima Starr
