As the Employee Transportation Coordinator (ETC) for _____,

I agree to promote the statewide Wheel Options campaign running October 18 – 31, in addition to promoting the local prizes being given away on MyCommute.org during the month of October.

To promote the Wheel Options campaign, I will receive campaign posters to display in high traffic areas at my worksite. In exchange for the materials provided by Spokane County's Commute Trip Reduction Office, I agree to inform all employees about the statewide Wheel Options campaign, the additional prizes being given away on MyCommute.org during the month of October and encourage the use of carpooling, vanpooling, riding the bus, walking, working from home, bicycling and compressing work schedules as alternatives to driving alone.
